XII (GSHSEB)

PR : 90.00

Shree Ambe Vidyalaya

2019 – 2020 | Vadodara, India

X (GSHSEB)

PR : 94.06

PROJECTS

Resume Builder :

Tech Stack : HTML5, CSS3, Javascript.

- Developed a dynamic resume builder web app allowing users to input personal/professional details and generate a formatted resume in real-time.
- Implemented form validation, live preview, and downloadable PDF output using JavaScript.
- Designed a responsive and user-friendly UI with custom CSS.
- Source code : https://github.com/vrushabhcpawar/resume_builder .

StayNest :

Tech Stack : MongoDB, Express, Node.js.

- Designed a full-stack web app mimicking Airbnb's core functionality: property listings, review systems, and user dashboards.
- Enabled image uploads with Cloudinary integration for real-time content management.
- Implemented secure user authentication & session cookies.
- Deployed on render : <https://staynest-ngkk.onrender.com> .
